

COMPREHENSIVE VETERINARY RT PCR DETECTION KITS

RT PCR Kits for Veterinary

Reliable RT-PCR solutions for Veterinary
molecular diagnostics.

Key Features:

- PCR-Based Detection – sensitive, specific, rapid results.
- Uses Taqman Probes technology.
- Validated & Reliable – consistent performance for veterinary labs.
- Fast Turnaround – optimized protocols for efficiency.

Offering RT PCR Kits for Veterinary Disease Surveillance

Swine

Poultry

Pet Care

Aquatic

RT-PCR Kit Portfolio

Trusted RT-PCR solutions for routine surveillance and global disease control.

Swine Disease Kit

- Pseudorabies Virus General Type (PRV-gB) Detection RT-PCR Kit
- Porcine Circovirus Universal (PCV-U) Detection RT-PCR Kit
- Porcine Parvovirus (PPV) Detection RT-PCR Kit
- Erysipelothrix Rubra (SER) Detection RT-PCR Kit
- Porcine Multi-killer Pasteurella (SPA) Detection RT-PCR Kit
- Toxoplasma Gondii Detection RT-PCR Kit
- Mycoplasma Hyopneumoniae (MHP) Detection RT-PCR Kit
- Haemophilus Parasuis (HPS) Detection RT-PCR Kit
- Swine Dysentery Serpentine Detection RT-PCR Kit
- Actinobacillus Pleuropneumoniae (APP) Detection RT-PCR Kit

Pet Care Kit

- Canine Parvovirus (CPV) Detection RT-PCR Kit
- Feline Panleukopenia Virus (FPV) Detection RT-PCR Kit
- Mycoplasma Felis (MF) Detection RT-PCR Kit
- Chlamydia Felis (CF) Detection RT-PCR Kit
- Feline Herpes Virus (FHV) Detection RT-PCR Kit
- Babesia Canis (Bab) Detection RT-PCR Kit
- Chlamydia Canis Detection RT-PCR Kit
- Canine Adenoviruses (CAV) Detection RT-PCR Kit
- Canine Distemper Virus (CDV) Detection RT-PCR Kit
- Rabies Virus (RV) Detection RT-PCR Kit

Animal DNA Identify Detection Kit

- Porcine DNA Identify Detection RT-PCR Kit
- Bovine DNA Identify Detection RT-PCR Kit
- Ovine DNA Identify Detection RT-PCR Kit
- Chicken DNA Identify Detection RT-PCR Kit
- Duck DNA Identify Detection RT-PCR Kit
- Goose DNA Identify Detection RT-PCR Kit
- Deer DNA Identify Detection RT-PCR Kit
- Goat Cytb Gene Identify Detection RT-PCR Kit
- Sheep Cytb Gene Identify Detection RT-PCR Kit
- Bovine Bgh Gene Identify Detection RT-PCR Kit

Poultry Disease Kit

- Mycoplasma Synovialis (MS) Detection RT-PCR Kit
- Marek's Disease Virus (MDV) Detection RT-PCR Kit
- Mycoplasma Gallisepticum (MG) Detection RT-PCR Kit
- Chicken Infectious Anemia Virus (CIAV) Detection RT-PCR Kit
- Duck Plague Virus (DPV) Detection RT-PCR Kit
- Haemophilus Paragallinarum (HPG) Detection RT-PCR Kit
- Salmonella Enteritidis (SE) Detection RT-PCR Kit
- Avian Adenovirus (FADV) Detection RT-PCR Kit
- Avian Infectious Laryngotracheitis Virus (AILTV) Detection RT-PCR Kit
- Avian Adenovirus Type C-4 (FADV-C-4) Detection RT-PCR Kit

Aquatic Pathogen Kit

- White Spot Syndrome Virus (WSSV) Detection RT-PCR Kit
- Infectious Hypodermol And Hematopoietic Necrosis Virus (IHHNV) Detection RT-PCR Kit
- Necrotizing Hepatopancreatitis Bacteria (NHPB) Detection RT-PCR Kit
- Monodon Baculovirus Detection RT-PCR Kit
- Streptococcus Agalactiae Detection RT-PCR Kit
- Streptococcus Dysgalactiae Detection RT-PCR Kit
- Streptococcus Iniae Detection RT-PCR Kit
- Oyster Herpes Virus Detection RT-PCR Kit
- Koi Herpesvirus Detection RT-PCR Kit
- Soft-Shelled Turtleiridovirus Detection RT-PCR Kit

Explore All Products

Why Choose Kinetic Kits?

- ✓ Validated with international reference standards
- ✓ Designed for routine use in poultry diagnostic laboratories
- ✓ Suitable for surveillance, early detection, and trade compliance
